Be You!

Dear Students,

I extend my warm greetings to all of you.

Education is not only about achieving good marks; it is about building character, values and habits that help you become responsible citizens. I encourage each one of you to be disciplined, honest, sincere and hardworking in everything you do. Success comes to those who work consistently and never give up.

Make it a habit to study regularly rather than waiting until examinations approach. Be punctual in attending school, completing assignments and fulfilling your responsibilities. Remember that time once lost can never be regained.

Treat everyone with kindness and respect. Help your classmates, listen to your teachers and always choose the right path, even when no one is watching. Small acts of kindness and honesty make a big difference in creating a positive school environment.

Do not be afraid of challenges. Every difficulty is an opportunity to learn and grow. Believe in yourself and strive to do your best every day.

Always remember that your teachers, parents and the entire school community are here to guide, support and encourage you. You are never alone in your journey. Together, we will work towards your success and help you become confident, capable and compassionate individuals.

I wish you all a year filled with learning, growth, happiness and achievement.

With best wishes,

Balasree Siva Prasad

Coffee with Principal

Discussing Solutions: Senior Secondary School Captain meets Principal

Naman Kumar: Good afternoon, Ma'am.

Principal: Good afternoon, Naman. Please sit. Have you met with your captain team?

Naman: Not yet, Ma'am. We'll stay after school today to discuss student concerns and solutions.

Principal: Good. Focus on major issues and practical fixes—leadership means solving problems together.

Naman: Yes, Ma'am. I'd like to raise a few concerns: drinking water, cycle stand management, sports practice access and campus cleanliness.

Principal: What do you mean by cleanliness?

Naman: Small habits—paper, pencil shavings, spilled water—are making the campus untidy. We should raise awareness and encourage responsibility.

Principal: Noted. We'll discuss these further and work on solutions. Thank you, Naman.

Naman: Thank you, Ma'am.

डिजिटल युग में ज़िम्मेदार विद्यार्थी

विद्यार्थी अब ऑनलाइन कक्षाओं, ई-पुस्तकों और शैक्षिक वेबसाइटों के माध्यम से ज्ञान प्राप्त कर सकते हैं। ऐसे में विद्यार्थियों के लिए डिजिटल तकनीक का ज़िम्मेदारीपूर्वक उपयोग करना अत्यंत आवश्यक है।

एक ज़िम्मेदार विद्यार्थी डिजिटल संसाधनों का उपयोग केवल शिक्षा और ज्ञानवर्धन के लिए करता है। वह सोशल मीडिया और ऑनलाइन मनोरंजन में अत्यधिक समय नष्ट नहीं करता तथा अपने अध्ययन और समय-प्रबंधन पर ध्यान देता है। इसके साथ ही वह इंटरनेट पर उपलब्ध जानकारी की सत्यता की जाँच करता है और किसी भी भ्रामक या गलत सूचना को साझा नहीं करता।

ज़िम्मेदार विद्यार्थी अपनी व्यक्तिगत जानकारी, पासवर्ड और गोपनीय डेटा को सुरक्षित रखता है। वह ऑनलाइन शिष्टाचार का पालन करता है तथा दूसरों के प्रति सम्मानजनक व्यवहार करता है।

डिजिटल युग में एक आदर्श विद्यार्थी वही है जो तकनीक का विवेकपूर्ण, सुरक्षित और सकारात्मक उपयोग करे। इससे वह न केवल अपने ज्ञान और कौशल का विकास कर सकता है, बल्कि एक ज़िम्मेदार और जागरूक नागरिक भी बन सकता है।

An anthropologist placed a basket of candies under a tree and told a group of African children that whoever reached it first could keep all the candies. When he said "Go," the children held hands, ran together and shared the sweets equally. Surprised, he asked why they didn't compete. The children replied:

"How can one of us be happy if the others are sad?"
